Flashcards - Vocabulary will be very important to your study. You will need a system to keep your flashcards organized. Here are two suggestions, but feel free to choose whichever style is conducive to your learning style:

- I like the idea of color-coding each of the 9 units for this course with a different color card.

- An index card file box that can house up to 500 flashcards can also work. I would suggest making or purchasing index card dividers that fit in the box to help keep your vocabulary separated for each of the 9 units of study.

## LOCKER REQUIREMENTS

- \* **The school is supplying combination locks this year.** There will be a \$5 replacement fee if a lock is lost.
- \* Any non-school issued lock or key lock will be cut off.
- \* Please leave valuables at home.
- \* Absolutely NO tape on lockers permitted. Cleaning fee if locker requires additional cleaning at end of school year.
- \* Please label belongings.

## LOCKER DIMENSIONS

- \* Overall locker dimensions: Height: 35" / Depth: 16.5" / Width: 12"
- \* In the picture below, the boards are not glued together; they are sitting on top of each other.
- \* All locker contents, including the shelves, go home with the student at the end of the school year.
- \* Shelves can often be cut at Home Depot or Lowes to these dimensions and assembled at school.  
Currently can be used through 12<sup>th</sup> grade at SCA.

Here's an example of a locker setup:
